## **POKERTEK ARRIVES AT THE MONTE CARLO BUDAPEST**

**Matthews, NC – November 4, 2008:** PokerTek, Inc., the industry pioneer and worldwide leader in automated poker tables and related software, is pleased to announce the installation of 7 PokerPro® tables at Monte Carlo Budapest in Hungary.

“We are extremely excited to be the first venue to be able to offer PokerPro in Hungary,” said Attila Torok, Director of the Monte Carlo Budapest. “While working together to have the PokerPro system approved, we have cultivated a strong relationship with both Aristocrat and PokerTek. We are delighted to offer such an exceptional product which is a unique concept to Hungary. ”

The Monte Carlo installation was driven by Aristocrat, PokerTek's international distribution partner for PokerPro, and marks the company's first ever PokerPro installation in Hungary.

"PokerPro has been a wonderful offering for us," said Daniel Lindsay, General Manager Sales & Marketing for Aristocrat Europe. "This year alone we have installed tables in Hungary, Bulgaria, Spain, and several other countries throughout Europe."

The Monte Carlo Budapest is one of the country's most luxurious and modern electronic gaming facilities. Located near the heart of the city and surrounded by five star hotels, the Monte Carlo Budapest is enjoyed by both local and tourist players.

### **About PokerTek:**

PokerTek, Inc. (NASDAQ: PTEK), headquartered in Matthews, NC, develops and markets products for the casino and amusement industries. PokerTek developed PokerPro automated poker tables and related software applications to increase casino revenue, reduce expenses and attract new players into poker rooms by offering interactive poker that is fast, fun and mistake-free. Heads-Up Challenge is a two-player table that allows bars and restaurant patrons to compete head-to-head in various games for amusement purposes, increases earnings for game operators and provides patrons unique and challenging on-site entertainment. Both products are installed worldwide. For more information, please visit the company's website at [www.PokerTek.com](http://www.PokerTek.com) or contact Laura Petty at 704.849.0860 x106.

*This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which are*

*made in accordance with the Private Securities Litigation Reform Act of 1995. The forward-looking statements herein include, but are not limited to, the expected adoption of the PokerPro systems by casinos and other customers and the expected acceptance of the PokerPro systems by players. Our actual results may differ materially from those implied in these forward-looking statements as a result of many factors, including, but not limited to, overall industry environment, customer acceptance of our products, delay in the introduction of new products, further approvals of regulatory authorities, adverse court rulings, production and/or quality control problems, the denial, suspension or revocation of permits or licenses by regulatory or governmental authorities, termination or non-renewal of customer contracts, competitive pressures and general economic conditions, and our financial condition. These and other risks and uncertainties are described in more detail in our most recent annual report on Form 10-K and other reports filed with the Securities and Exchange Commission. Forward-looking statements speak only as of the date they are made. We undertake no obligation to update or revise such statements to reflect new circumstances or unanticipated events as they occur, except as required by applicable laws, and you are urged to review and consider disclosures that we make in the reports that we file with the Securities and Exchange Commission that discuss other factors germane to our business.*
